

# Weekly Weekly Newsletter

Hi all,

We all had lots of fun celebrating Chinese New Year last week, thank you to all the parents who sent their children into nursery wearing red for our New Year's tea party. The children enjoyed tasting noodles and prawn crackers and dancing to Chinese music.

### **Baby Room**

The babies enjoyed making red good luck envelopes last week as they experienced mark making in paint. This week Baby Room will be very creative with their senses through arts and crafts, singing and dancing and cooking. This week they welcome Evelyn into their room.

### **Toddler Room**

Last week the Toddlers enjoyed the sensory experience of exploring rice and noodles and decorating pigs. This week Toddler Room will be doing a cooking week, making various sweet and savoury dishes. If you have anything your child particularly enjoys making at home, please let one of the staff know in Toddler Room.

Wiktorija will be off on annual leave this week.

### **Pre-School and Nursery Class.**

Last week the children enjoyed playing in our Chinese restaurant cooking rice, noodles and taking on the role as customers and chefs. We had lots of fun making a dragon and doing a traditional Chinese dragon dance around the room before sticking onto the door. The children enjoyed the story of Fox's Socks which was brought in by Arrian and prompted them to continue words in rhyme and think of their own rhyming strings.

This week our focus children will be Olivia, Harry, Evelyn and Maddy. We will be talking about what love means to them as it is Valentine's Day on Thursday.

Our letter of the week will be 'P' Peter Puppy, if you could encourage your child to find an object beginning with this letter for them to show to their peers during group discussions.

Nursery class will be focusing on the sound 'igh', if you could help your child to think of words including this sound such as 'light', 'knight' 'right' etc.

### **Menus**

This week's menu is attached to this email.

Many thanks  
Claire.
